

# Drive your own protection plan.

## Giving you confidence to live the life you love

Being a professional driver, you'll know that accidents can happen. Making sure you have the financial provisions in place to protect both your family and your livelihood should you have an accident is important in giving you peace of mind when you're on the road. MultiProtect provides a quick and simple solution to make sure you get the extra financial support you need if you're injured in an accident or need to spend time in a UK hospital.

## Drivers can benefit from MultiProtect

### Payments for UK hospital stays over 24 hours

If you need to stay in a UK hospital because of an accident you'll receive a cash payment for every 24 hours that you're admitted, up to a maximum of 90 days per condition. After you've had your policy for 12 months, you can also claim for time spent in hospital because of sickness.

### No long 'waiting periods'

MultiProtect doesn't have any 'waiting' or 'deferred' periods when you make a claim. This means we'll assess your claim and pay a cash lump sum as quickly as possible so you don't have to worry about how you'll cover those bills or unexpected costs.

### Cash lump sum payments

### Case Study

Mr Y, a driver, was on a family holiday skiing in February when he fell over and broke his leg. Unfortunately he did not have the forms completed by a GP in the UK and so provided copies of Polish medical information.

We translated the information into English and assessed the claim. The translation was then referred to the Chief Medical Officer to review. A prompt reply was received and Mr Y received £2,500, 14 days after his claim was submitted.
