Terms and Conditions

Please take the time to read this document as it explains how **your policy** works. If **you** do not understand any part, **you** should contact **your** adviser or **our** office in Brighton on **0800 9170100** or **01273 872456** and **we** will explain the details further.

In the back of this booklet **you** will find a list of definitions. Any words in bold can be found in the list with an explanation.

Your policy

Your policy is formed of these terms and conditions, **your policy schedule**, any endorsements to **your policy**, **your** application and any other statements made by **you** to **us**.

In return for the payment of premiums, **we** will pay the **policy** benefits in accordance with and subject to the terms and conditions of this **policy**. These are described below. In particular, **you** should note the sections entitled, 'What's not covered', 'General exclusions', 'Making a claim' and 'Definitions'.

Your policy schedule states how many units **you** have selected and the **policy** benefit amounts payable in total if an **insured person** suffers an **insured event** during the term of the **policy**. **Your policy schedule** will also state the details of any optional covers you have selected. The maximum number of units for **you** across all Accident Protection and MultiProtect policies provided by **us** is five.

Eligibility

You may take out this **policy** if **you** are aged 18 or above, up to **your** 60th birthday, and **you** are a **UK resident**.

The policy benefit - what's covered and what's not

Subject to the **policy** exclusions, **we** will pay the **policy** benefits shown in **your policy schedule** in respect of the **insured events** below.

If a single **accident** results in a claim for any combination of multiple **policy** benefits in respect of an **insured person**, the maximum **we** will pay will be equal to the **policy** benefit for **accidental total permanent disablement**.

1. Broken bones

We will pay the **policy** benefit shown in **your policy schedule** if, during the term of the **policy**, an **insured person** sustains **bodily injury** caused by an **accident**, which solely and independently of any other cause results in either a **major broken bone** or **minor broken bone**.

What's not covered?

- Any **major broken bone** or **minor broken bone**, as a result of osteoporosis, brittle bone disease, or other degenerative bone disorder
- Stress fractures or bruised bones
- A broken nose

The general exclusions also apply.

2. Accidental permanent injuries

We will pay the **policy** benefit shown in **your policy schedule** if an **insured person** suffers any of the following injuries as a result of an **accident** within 12 months of the date of such **accident**:

- **Paralysis of limbs** - total and **irreversible**
- **Blindness** - **permanent** and **irreversible** in one or both eyes
- **Loss of one or more hands or feet** - **permanent** physical **severance**
- **Deafness** - **permanent** and **irreversible** in one or both ears
- **Loss of use** - of elbow, hip, shoulder, knee, ankle or wrist
- **Loss of thumb, finger or toe**
- **Loss of major organ**
- **Loss of speech** - **permanent** and **irreversible**
- **Third degree burns** - covering 20% of the body's surface area

With respect to loss of **thumb, finger or toe**, where half or more than half of the relevant finger, toe or thumb is lost as a result of **permanent** physical **severance**, **we** will pay a proportionate amount of **policy** benefit, which is consistent with the extent of the loss in the opinion of **our** Chief Medical Officer and any medical reports, medical evidence or expert medical advice obtained by **us**.

What's not covered?

With respect to **loss of use**, **we** will not pay any **policy** benefit where there has been a successful reconstruction or replacement of a joint resulting in function being restored.

The general exclusions also apply.

3. Total permanent disablement

We will pay the **policy** benefit shown in **your policy schedule** if an **insured person** suffers a **total permanent disablement** caused by an **accident** occurring within 24 months of the date of the **accident**. The amount of **policy** benefit payable will be reduced by any other **policy** benefit already paid in respect of that **insured person** for the **accident** that caused the **total permanent disablement**.

Any **policy** benefit paid for **total permanent disablement** will bring cover under this **policy** to an end in respect of the **insured person** who has suffered **total permanent disablement** and no further **policy** benefit will be payable in respect of that **insured person**. If the **insured person** is **you**, **we** will cease to collect **premiums** from **you** and **your policy** will automatically terminate.

The general exclusions also apply.

4. Accidental death

Subject to the general exclusions **we** will pay the **policy** benefit shown in **your policy schedule** in the event of the death of an **insured person** caused by an **accident** and occurring within 12 months of the date of the **accident**. If the **insured person** is **you**, **your policy** will automatically terminate.

5. Hospitalisation in the UK as a result of an accident or sickness

We will pay a **policy** benefit if, during the term of the **policy**, an **insured person** sustains **bodily injury** caused by an **accident** which solely and independently of any other cause results in an **insured person** being admitted to **hospital** as an inpatient for at least 24 hours.

Provided **you** have held **your policy** for at least 12 months, **we** will pay a **policy** benefit if, during the term of the **policy**, an **insured person** is admitted to **hospital** as an inpatient for at least 24 hours caused by **sickness** and the first day of hospitalisation is after the expiry of the first 12 months of **your policy**.

5.1 Duration of hospitalisation

Any **policy** benefit payable for hospitalisation is only payable for each complete and uninterrupted 24 hour period up to a maximum of 90 days per **insured event**.

If an **insured person** is admitted to **hospital** as an inpatient as a result of an **accident** or **sickness** for a period of at least 24 hours, and is then admitted again due to the same **accident** or **sickness**, this is considered to be a continuation of a previous **hospital** admittance in calculating the maximum **policy** benefit of 90 days.

Hospitalisation as a result of a voluntary organ donation by an **insured person** to one of their parents, siblings (including legally adopted siblings and step-siblings) or children (including legally adopted children and step-children), is covered from the start of **your policy**.

What's not covered?

- Hospitalisation resulting from **optional surgery** (other than voluntary organ donation as described above)
- Hospitalisation in a non-UK **hospital**
- Hospitalisation due to childbirth, abortion, pregnancy or pregnancy-related conditions, including, but not limited to, miscarriage, ectopic pregnancy and placenta praevia

The general exclusions also apply.

6. Funeral Benefit

Subject to the general exclusions, **we** will pay a **policy** benefit if **you** die from any non-**accidental** cause during the term of the **policy**. The **policy** benefit will increase during the first five years as shown in **your policy schedule**. If death occurs before **you** have had **your policy** in force for at least 12 months, the **policy** benefit will be a refund of the total premiums paid under the **policy**.

Payment of the funeral benefit automatically terminates the **policy**.

What's not covered?

- **We** will not pay this **policy** benefit in respect of **eligible children**.

Optional cover

If selected by **you**, as shown on the **policy schedule**, **we** will pay the following **policy** benefits in the event of any of these insured events occurring during the term of the **policy**:

Child Cover (optional)

If, during the term of the **policy** an **eligible child** suffers an **insured event** or is diagnosed with **cancer**, **we** will pay the **policy** benefit shown on the **policy schedule**.

The maximum number of units of cover in respect of an **eligible child** is ten, across all Accident Protection and MultiProtect policies provided by **us** taken out by **you** or **your** spouse or partner. Any **policy** benefit payable will be limited to that maximum. The number of units in respect of an **eligible child** must equal the number of units covered by **you**.

Child Cover can be added at any time after the **policy start date**. To add the optional Child Cover, **you** should contact **us**. **We** will issue **you** with an endorsement to the **policy** to add the cover.

Cover for an **eligible child** starts on the **policy start date** or when **we** accept the inclusion of Child Cover (if later), and will continue until the earliest of the following:

- the **eligible child**'s 18th birthday (or 23rd birthday if in full time education, which does not include apprenticeships);
- payment of **total permanent disablement policy** benefit in respect of **you** or the **eligible child**;
- **you** or the **eligible child** ceasing to be a **UK resident**;
- **your** 70th birthday;
- **your** death; or the **eligible child**'s death;
- non-payment of the **premium**.

You must notify **us** promptly in writing if, during the term of the **policy**, an **eligible child**:

1. attains the age of 18 (or 23 if in full time education, which does not include apprenticeships);
2. ceases to be a **UK resident**;
3. dies from a non-**accidental** cause.

What's not covered?

Policy benefit for **cancer** will not be payable if the **eligible child**:

- has been diagnosed as having **cancer** prior to the **policy start date** or date on which **we** accept inclusion of the Child Cover;
- is diagnosed as having **cancer** and the **policy** has been in force for less than 90 days;
- has any medical tests or investigations during the first 90 days the **policy** has been in force which subsequently lead to the diagnosis of **cancer**;

- a **dislocation**; and/or
- either a **tendon rupture** or a **ligament tear**.

In each **policy year** **you** can only make one claim for the **policy** benefits shown above. So, for example, **you** will only be covered for one **dislocation** and/or one **tendon rupture** or **ligament tear**.

What's not covered?

- Clostridium difficile infection

- Hepatitis B
- Hepatitis C
- Bacterial meningitis

Term of the policy

The cover provided by the **policy** commences on the **policy start date** and will continue until the earliest of the following, upon which the **policy** terminates:

If **you** do not pay the **premium** within this 30 day period the **policy** will automatically end without value as at the date on which the unpaid **premium** was due. If **you** make a claim within any 30 day period, any unpaid **premium** will be deducted from the **policy** benefit that is payable by **us**.

Policy value

This **policy** only provides the **policy** benefits described in this document. There is no cash surrender value at any time.

Changes to the policy or premium

We monitor the **premium** needed to provide the **policy** benefits and may change the **premium**, which will be assessed fairly, to reflect unexpected changes in **our** actual and expected experience of:

- claims that have been, or are likely to be made;
- expenses that **we** expect to, or do, incur;
- **policy** lapses;
- the investment income **we** receive; or
- any change in the law affecting this **policy** or **us**.

We may need to vary these terms and conditions if:

- there are any obvious errors or omissions affecting **your policy**;
- there is a request from any regulatory authority to do so; or
- there is a change in the law, regulation, taxation or recommendations or decisions of a regulator or similar body affecting us or **your policy** (including the benefits provided by **your policy**).

We will write to **you**, at **your** last known address, giving 30 days' notice of any change. If **you** are not happy with the changes or amendments, **you** have the right to cancel the **policy** (see the section headed Cancellation).

You may reduce the number of **units** covered under **your policy** at any time by contacting **us**. **We** will issue **you** with an amended schedule stating the amount of cover **you** have selected. **You** cannot increase the number of **units** under this **policy** but **you** may be able to take out a further **policy**.

Completeness and accuracy of information you provide to us

It is important that the information **you** provide to **us** is accurate and complete. If any of the information **you** provide to **us** is fraudulent, misleading or deliberately untrue or inaccurate:

- **your policy** will be void;
- **we** will not pay any **policy** benefit to **you**; and
- any **policy** benefit that has already been paid under this policy must immediately be repaid to us.

No **premiums** will be returned.

Notification

You must notify **us** if **you**:

- change **your** address;
 - change **your** bank account details;
 - cease to be a **UK resident**;
 - where **you** select Child Cover, **you** must notify **us** promptly in writing if, during the term of the **policy**, **your** child ceases to be an **eligible child**.
-

Contracts (Rights of Third Parties) Act 1999

The Contracts (Rights of Third Parties) Act 1999 does not apply to the **policy**. A person who is not a party to this contract has no right to enforce any term of the contract. No consent of any third party shall be required under the Contracts (Rights of Third Parties) Act 1999 to any cancellation or termination or change or variation or alteration of the terms and conditions of this **policy**.

Assignment

This **policy** is personal to **you**, which means **you** cannot transfer the ownership of the **policy** to another person or company.

Payments

All **premiums** and **policy** benefits are payable in Pounds Sterling from and to a UK bank account.

Data protection

We are the data controller in respect of the information **you** provide to **us** with respect to **your policy** and any claim **you** make. All personal data, including sensitive personal data, for example medical reports and records relating to **you** and obtained by **us** when assessing and verifying **your** claim, will be stored, used or processed by **us** for the following purposes, for:

- setting up and administering **your policy**;
- assessing and verifying a claim;
- fraud and crime prevention and detection;
- marketing purposes (subject to **your** selected preferences);
- carrying out actuarial research and analysis with respect to **your** and other MultiProtect policies provided by **us**;
- providing information about **your policy** in connection with any reinsurance **we** have with respect to MultiProtect policies; and
- any subsequent **policy** applications made by **you** to **us**.

We will provide **you** with **our** privacy **policy**. As parties to this **policy**, it is in both **your** and **our** interests for **us** to be able to process **your** information because it enables **you** and **us** to fulfil the respective obligations each party has to the other under the **policy** and **us** to provide the **policy** to **you**. You have the right to withdraw **your** consent at any time, and going forward, in respect of **our** processing of **your** information. This will not affect **our** ability to process **your** information before **you** withdrew consent, however, this may cause difficulties for **us** to continue to administer **your policy** and the processing of a claim may take longer than would otherwise be the case, or it may prevent **us** completing the assessment of the claim; **we** will inform **you** if that is the case. To withdraw **your** consent, **you** may contact **our** Data Protection Officer at the details given below.

Subject to **your** consent, **we** may share with or transfer **your** information to:

We may process or share **your** information with other insurers, **our** reinsurers, **our** regulators, and law enforcement agencies for the purposes of fraud and crime prevention and detection and to comply with **our** statutory legal and regulatory obligations.

We have appropriate protections relating to transfers of information in agreements with the third parties, or **our** processors, above. Some of the third parties may operate outside of the European Economic Area ('EEA'). Where personal data and sensitive personal data is transferred by **us** outside of the EEA, information will be processed as securely as if **we** were processing it under a strict code of privacy and security and in accordance with model clause

agreements, copies of which are available on request to **our** Data Protection Officer.

We will retain **your** information for the term of **your policy**, to enable **us** to administer the **policy**, and for a period of seven years after the termination of **your policy**, or, the accrual of a claim under the **policy**, whichever is later, in order for **us** to comply with **our** legal obligations and **our** records retention **policy**. After that period, so far as is reasonably practicable in respect of any electronic records, **we** will destroy or permanently erase the information that **we** hold about **you**.

You have the right to make a request for **us** to provide **you** with details of **your** personal data and sensitive personal data that **we** are holding and processing and to request that any inaccuracies be corrected or erased. **We** may charge a fee for any request. **You** can contact **our** Data Protection Officer, whose details are below, to make the request.
