

Here to support your clients every step of the way

We're enhancing our Group Life policies for clients with fewer than 1,000 employees at no additional cost

At MetLife we acknowledge the challenges businesses face, particularly during times of unprecedented change. We understand staff are the engines of the business and their wellbeing is vitally important. Not just their physical wellbeing, but their mental and financial wellbeing too. That's why we're delighted to share that we're enhancing our Group Life proposition for client's with fewer than 1,000 employees.

24/7 support for employees, 365 days a year

With MetLife Group Life policies covering fewer than 1,000 employees, we now provide our Group Life Employee Assistance Programme (EAP) at no additional cost.

It provides an impartial person to talk to and offers support and information 24/7, 365 days a year. So you can be sure that employees have the support they need, when they need it most. Plus, their loved ones* receive complimentary access to the service too. This is in addition to the existing Group Life Bereavement & Probate Service you already have access to.
