Giving you confidence to live the life you love

Being a factory worker, you know the importance of everything measuring up and fitting into place. Making sure you have the financial provisions to protect both you and your family should you have an accident is an important piece of the protection assembly line. MultiProtect provides a quick and simple solution to make sure you get the extra financial support you need if you're injured in an accident or need to spend time in a UK hospital.

Factory workers can benefit from MultiProtect

Payments for UK hospital stays over 24 hours

If you need to stay in a UK hospital because of an accident you'll receive a cash payment for every 24 hours that you're admitted, up to a maximum of 90 days per condition. After you've had your policy for 12 months, you can also claim for time spent in hospital because of sickness.

No long 'waiting periods'

MultiProtect doesn't have any 'waiting' or 'deferred' periods when you make a claim. This means we'll assess your claim and pay a cash lump sum as quickly as possible so you don't have to worry about how you'll cover those bills or unexpected costs.
