### Payments for UK hospital stays over 24 hours

If you need to stay in a UK hospital because of an accident you'll receive a cash payment for every 24 hours that you're admitted, up to a maximum of 90 days per condition. After you've had your policy for 12 months, you can also claim for time spent in hospital because of sickness.

### No long 'waiting periods'

MultiProtect doesn't have any 'waiting' or 'deferred' periods when you make a claim. This means we'll assess your claim and pay a cash lump sum as quickly as possible so you don't have to worry about how you'll cover those bills or unexpected costs.

### Cash lump sum payments

MultiProtect gives you the confidence that if you are involved in an accident, you'll get the extra financial support you need to help cover any unexpected costs.
